Juan A. Peralta
Chief of Operations

Honorable Members of the City Council
City Hall
1 Roosevelt Square
Mount Vernon, New York 10550

Through the Office of the Mayor

February 5, 2026

Dear Honorable Council Members:

This letter is to request that the City Council enact legislation that would enable the Fire Department to accept the following Fire Apparatus (Two Pierce Sabre 1,500 GPM Pumpers) for \$1,799,500.00. This apparatus will be provided by the Urban Renewal Agency (URA) and paid for with HUD CDBG funding program.

Please see the attached Resolution and supporting documentation for this request. Once received by the City of Mount Vernon, these Fire Apparatus will be titled to, and the property of said entity, and all maintenance and operational costs will be the responsibility of the title holder.

I appreciate your cooperation in this matter.

Respectfully submitted:

Kevin B. Holt
Fire Commissioner
