RE: RFP for Towing Services

Honorable Councilmembers:

The Department of Public Safety is seeking permission to solicit competitive bids to provide towing services for the City of Mount Vernon.

Establishment of a new contract with competitively bid prices for towing services is imperative because the city has not had a contract for city towing since 2005. Utilizing a contracted tow company will expedite the removal of vehicles deemed as evidence, scofflaw vehicles, impounded vehicles and illegally parked vehicles. The bidding process will be for a ninety (90) day period.

If this request meets the approval of your Honorable Body, please enact legislation To arrange for the advertisement of bids in accordance with the attached bid notice.

Sincerely,

David Gibson
Commissioner of Public Safety
