Re: Emergency Sinkhole Repair – Beechwood/S Columbus Avenue

Dear Honorable City Council Members,

BACKGROUND

I am writing to urgently request the City Council's approval to authorize the City to enter into an emergency contractual agreement with Zonzini Pipeline Inc. This request is essential due to a physical and health hazard and the immediate need to replace and fill a sinkhole.

Zonzini was contacted for the removal of asphalt to assess and repair a sinkhole at Beechwood and South Columbus Avenue. The area needed to be backfilled after Con Edison did not properly backfill previously.

PROCUREMENT POLICY

Section 6. Items Excepted from these Policies and Procedures by the City Council.

B. Emergency Purchases. For purpose of this section, an emergency refers to an occurrence that presents an immediate threat to public property, the life, safety, health, welfare or property of residents or the public, or threatens to curtail or terminate an essential service to residents or the public. Due to the nature of this exception, these goods or services must be purchased immediately and a delay in order to seek alternate proposals may threaten the life, health, safety, property or welfare of the residents or City of Mount Vernon.

FUNDING

The total associated cost for this rehabilitation is \$4,747.00.

Funding for these emergency repairs is available via department budget line A8120.405

Respectfully,

Damani Bush
Commissioner of Public Works
DB/lp
