Subject: Autism Walk 2024

On Monday, April 08, 2024, Captain Goldman forwarded a parade request for review. On behalf of the Department of Recreation, Commissioner Kathleen Walker-Pinckney has requested the Recreation Department to co-sponsor an autism walk on Saturday, April 27, 2024, from 1100 to 1400 hours. The paperwork does not include an approximate number of attendees. Commissioner Walker-Pinckney requests a police escort to assist the participants in crossing Stevens Avenue, 1st Street, 2nd Street, and 3rd Street. It is recommended that the participants of this procession utilize the sidewalk at all times since they would be walking against the normal flow of vehicular traffic. The undersigned supervisor also recommends that two (2) police officers be assigned to this detail as front and rear escorts for the duration of the procession. This event has been held in the past, and the undersigned supervisor finds no public safety concerns regarding this event and recommends approval of this permit. The procession route has been listed below:

1. Starts at 1 Roosevelt Square (City Hall steps)
2. Proceed to Stevens Avenue and make a left onto Wilson Place (Southbound)
3. Wilson Place turns into South 6th Avenue
4. Proceed to 250 South 6th Avenue (Dole Center)
