Re: **A+ Technology & Security Solutions Inc.- Contract Agreement for Cameras at DPW Main Building (33 Canal Street) & Marina**

Dear Honorable City Council Members,

The Department of Public Safety requests that the City Council approve a resolution for the Mayor to enter into a payment contract agreement between A+ Technology & Security Solutions, Inc. and the City of Mount Vernon Department of Public Works. A+ Technology & Security Solutions, Inc. will provide the department with interior and exterior Avigilon cameras (please see attached quote for technical details).

The associated cost(s) for this payment agreement will be **\$145,130.25**, which will be appropriated from Budget Line Bond Anticipated Notes (BANS) H1620.203.C948. A+ Technology & Security is licensed with the NYS Dept of **State Contract #12000298891**. This licensure excludes it from the competitive bidding process in accordance with the 2024 City of Mount Vernon Procurement Policy.

The attached proposal has been reviewed and approved in a joint operation by the Mount Vernon Police Department and Management Services.

If this request meets the approval of your Honorable Body, please enact legislation granting this approval.

Respectfully,

Damani L. Bush  
Commissioner of Public Works
