Re: Request for Legislation to Accept Donation of Three (3) Trees from Neighbors That Care, Inc.

Dear Honorable City Council Members,

I am writing to respectfully request that the Honorable City Council enact legislation to accept a donation of three (3) trees from Neighbors That Care, Inc. This donation of Bradford Pear Trees will be planted and cared for by the Department of Public Works alongside South Columbus Avenue near the Graham School parking lot. Neighbors That Care is requesting that these trees be planted on or before May 3, 2025 for the commemoration of individuals within the surrounding neighborhood who have passed away.

There is no cost associated with this donation, and no stipulations attached outside of the requested location of the trees. If this request meets your approval, we kindly ask that the necessary legislation be enacted to facilitate this donation.

Respectfully,

  
Damani L. Bush  
Commissioner of Public Works

Cc: Parks Supervisor
