RE: ARPA AMENDMENT

Dear Honorable Body,

I am requesting the Honorable City Council amend legislation #17 September 14, 2022. The Council authorized the purchase of a Command Vehicle for the Fire Department. A 2022 Chevy Silverado 2500HD from vendor AEV Specialty Vehicles for \$87,344.00. Due to the COVID19 Pandemic this vehicle was on a backlog and the vehicle is now a 2023 Chevy Silverado 2500HD with increase of cost due to pricing increases. **Please amend the new amount for this vehicle is \$92,149.00, a difference of \$4,805.00.**

The Command vehicle was purchased with ARPA Funds Budget Line A3410.203 ARP Government Services GOV-002 6.1 The funds are still available for this purchase.

Thanking you in advance for your assistance in this matter.

Respectfully submitted,

Deborah M. Norman
Fire Commissioner
