The Honorable Shawyn Patterson-Howard
Mayor, City of Mount Vernon
One Roosevelt Square
Mount Vernon, NY 10550-2060

Re: City of Mount Vernon
Project No. 131717
Mount Vernon South Fourth Street Park Green Infrastructure Project

Dear Mayor Patterson-Howard:

Thank you for your application for the Green Innovation Grant Program (GIGP) through the Consolidated Funding Application (CFA) Round 13 Initiative. On behalf of Governor Kathy Hochul, I am pleased to inform you that your community has been selected to receive a NYS Environmental Facilities Corporation (EFC) Green Innovation Grant Program Grant (GIGP) award for the above referenced project. Your project has been awarded in an amount not to exceed \$1,790,000, for porous pavement, stormwater street trees, bioretention, and a green wall. This award pertains only to GIGP funding. If you applied for funding from other programs or other State agencies through the CFA, you will receive information from those programs/agencies separately.

Please confirm your acceptance of the grant award and intent to proceed with this project by completing and signing the enclosed form and e-mailing it to gigp@efc.ny.gov no later than **March 8, 2024**. Without your confirmation, we may bypass your project and award these grant funds to another community.

As means of advancing this project, members of our EFC team will contact you to guide you through the program requirements and related processes, and to answer any of your questions. In order to remain eligible for these funds, your community must enter into a Grant Agreement for the above project by September 30, 2024.

We appreciate your interest in the GIGP program and look forward to working with you on your water quality improvement project.

Sincerely,

A handwritten signature in black ink, appearing to read "Maureen A. Coleman".

Maureen A. Coleman
President & CEO
